### **Current Research Interests:**

I currently have three major research projects: (1) “Pictures of Language”: Wittgensteinian perspectives on literary theory; (2) The emergence of European modernism from the ruins of idealism in the period from 1870-1914 (a subject I begin to explore in my Ibsen book); and (3) “Women, Writing and Feminist Theory Today.” New work on feminist theory and criticism; focusing principally on the question of what reasons we have, today, after thirty years of feminist criticism and theory, to pay special attention to women writers and women’s writing.
